for
CONFERENCES

In an effort to continue the mission of the organization during a pandemic outbreak, Maine IFOB will be able to host conferences online on the 3CX web real-time conferencing platform thru **Cove Central Communications**.

This service is free for IFOB staff, as well as its guest participants until 2021, with options to renew annually.

If IFOB Members would be interested in hosting their own web conferences separate from IFOB, the pricing and features are available for all IFOB Members.
